

Central Georgia Council Scouting for Food

A group of Scout leaders and Scouts in uniform are gathered around a table, holding white plastic bags filled with food. The background features a large mural with the text "OTHER PEOPLE AT ALL TIMES".

“Scouting for Food” is the Scouting community stewardship project aimed at addressing the problem of hunger in the community in which we live and work.

We ask that you please place non-perishable items in this bag so that we can support this needed cause in our Community.

We will return on _____ to pick up.

Thank you
