

# CENTRAL GEORGIA COUNCIL

## 2018 DAY & TWILIGHT CAMPS

We are excited to offer 4 opportunities for Cub Scouts to attend Camp this summer. Each Camp will offer advancement opportunities as well as traditional camp activities in various locations across the Central Georgia area.

The Camps will be STEM focused and include the opportunity for Scouts to earn the NOVA patch for their rank. This year's Camps will be Lego themed and are packed with tons of Lego fun! Register early, spaces are limited.

### MACON-June 4-8 from 8:00 AM-4:00 PM

Location: Riverside United Methodist Church

735 Pierce Ave., Macon, GA 31204

This will be the only traditional Day Camp offered this year. A passport to Lego Land Adventure awaits campers as they explore different Lego themed stations and STEM activities. Each camper will complete a beltloop or pin for their rank, in addition to earning their NOVA patch and Shooting Sports Awards for BB, Archery, and Slingshot.

### DUBLIN-June 25-29 from 5:30 PM-9:30 PM

Location: Southern Pines Ag & Expo Building

577 Southern Pines Rd., Dublin, GA 31021

We are excited to offer a Twilight Camp for Dublin and the surrounding area this year. This Camp will be a condensed version of the traditional Day Camp, filling the evening hours with Lego STEM activities, Shooting Sports, and fun time at the Splash Pad. The campers will earn beltloops, pins, NOVA Patch, and Shooting Sports Awards

### MILLEDGEVILLE-July 9-13 from 5:30 PM-9:30 PM

Location: Walter B Williams Recreation Sports Complex

GA Hwy 22 W., Milledgeville, GA 31061

This Camp will offer STEM activities, shooting Sports, NOVA and plenty of fresh air and time outdoors in nature. We will be filling the evenings with exciting experiments, arts and crafts and of course, LEGOs! This will be a traditional camp program with the convenience of twilight hours to make it possible for working families to attend and participate.

### WARNER ROBINS-July 16-20 from 5:00 PM-10:00 PM

Location: Camp Benjamin Hawkins, 2251 Boy Scout Rd., Byron, GA 31008

The Warner Robins Camp will delve deeper into the NOVA Program, giving campers the opportunity to earn multiple loops and awards. The Boy Scouts of America's NOVA Awards program incorporates learning with cool activities and exposure to science, technology, engineering and mathematics for Cub Scouts. The hope is that the requirements and activities for earning these awards stimulates interest in STEM-related fields and shows how science, technology, engineering and mathematics apply to everyday living and the world around them. Counselors help bring this engaging, contemporary, and fun program to life for campers. This camp is ideal for Cubs who may have already had the traditional day camp experience and are looking for something different this summer.
