After setting up, units are asked to report to the dining hall for check-in at check-in you will receive your Finalized Schedule, turn in medical forms, youth protection trainings, pick up shirts, and receive important information.

After Check-in a staff member will direct you in dining hall procedures.

Vehicles may be driven into camp to stow gear, all vehicles need to be moved to the parking lot before campfire on the first night of camp. Please be aware that there will be WeBeLos on camp moving around, and BE CAREFUL!!!

CBH Daily Times

Each morning at Breakfast, the CBH Daily Times publishes the headlines from the previous day. Submissions for the next days paper, maybe submitted to the Camp Office, Don't miss Breakfast, to get your copy each day, as it has important information about happenings on camp each day.

Campfires

The Camp Ben Hawkins Staff conducts a rousing campfire program on the opening night of camp to welcome campers, introduce staff, and get Camp started off with a bang. But on the last evening of camp the tables are turned and it is time for campers to entertain the camp with your special songs, skits, and stories. Plan to attend the “audition” at the Dining hall right after lunch on Saturday to show the Campfire Director what you would like to present.

Uniforms

Central Georgia Council Summer Camp recommends the following camp attire:

*During the day and most nights after dinner, Class B is appropriate. This is shorts and a scout related t-shirt of some type.

*Uniform for dinner, evening flag ceremony, and campfires is Class A.

***Footwear: Shoes must be worn at all times at camp. Shoes must not be open at the toe or sides. Sandals are only allowed at the showers, and at waterfront. Croc type shoes are not allowed.**

*It is not the role of the staff to be the “uniform police”, that is the role of the unit leader.

Trading Post

The Camp Ben Hawkins Trading Post will be open selling snow cones, snack items, handicraft kits, and CBH Gear. Make sure your scouts have some “pocket money.”

DINING HALL

The Dining Hall serves cafeteria-style meals. Packs are assigned seating during the registration process. For breakfast and dinner units are dismissed from the flag ceremony on the activity field. Lunch is dismissed from the poles in front of dining hall. CBH uses a waiter(s) system to assist in unit table setup and cleanup.

Waiters

All units will receive a Table assignment at the time of check-in.

Before Meal Duties:

- Place Pitcher of drink on all tables, located on drink cart.
- Restock Table Boat with silver, paper towels, and cups as needed.
- Place Condiments on tables.
- Set Table as desired

Each Unit will be responsible for clearing their tables, which includes:

*At the end of each meal, YOUR UNIT is responsible for cleaning your table(s) and area, this consists of:

- removing all items to trash
- pitchers of remaining drinks to drink cart at end of dining hall
- wipe down table
- sweep/mop as needed

**Additional help may be needed in pushing pitcher carts to kitchen, moving salad bar and cereal bar to kitchen.

Cold cereal is available in addition to the hot breakfast that is served each morning. A salad bar is always available at lunch and supper.

Camp food is by necessity a high-carbohydrate, high-calorie diet. All meals contain meat/protein. If these food products cause a problem in your diet, you need to advise camp personnel via registration form, and again at camp during registration process. We may be able to provide alternative food, but only if we are notified well in advance of your arrival. A dining hall staff member will be available to assist in reviewing menu, alternate foods, etc. If the variety of offerings is limited and

you may choose to supplement with your own food. In most instances, you will be required to store and prepare any special foods that may you bring. We will suggest that you come prepared to store and to prepare these special meals in your campsite. Units/ individuals will not be allowed to access the camp kitchen in order to store or prepare special meals.

Resident Camp Activities

Day One: Check-in, Opening campfire

Day Two: After Flag Ceremony, you and your scouts will participate in a variety of activities/games around camp that have either cub scout or Mystery Themes.

Day Three: Will include Flags, Breakfast, Leave No Trace, and Dismissal.

WEATHER IMPACT ON PROGRAM/ACTIVITIES

Occasionally, camp program and activities will be impacted by weather events. In particular the Aquatics and Climbing areas are often the first to be impacted. Thunder & lighting in the vicinity of camp can cause us to “delay” or “cancel” these activities. We do not take camper safety lightly! Decisions to close an area are usually determined by the area director, in consultation with camp and program management. As always, we depend on our unit leaders to be aware of any weather activity that they deem may impact the safety of their Scouts. If you as a leader determine that you need to move your Scouts from an area, or move off an activity field, we encourage you to do that and not wait for a decision from the Staff. Please also remember that there are “HARD” Structures throughout camp.... If you find yourself needing to find Shelter please choose the area closest to your proximity to shelter in.

Range Activities

Range Activities include BBs, and Archery.

CAMP MESSAGING SYSTEM

CBH will use the Band app messaging system that can provide information to our onsite unit leaders. The system supports text messaging. It is primarily used to provide items such as the following; last minute program changes, weather information, important camp messages, etc. You will be provided information in welcome email and in the leader's meeting on how to join the Band group. Each event, the group is deleted and a new one set up. Please download the Band app,

it looks like this:
