CAMPSITES

Every effort is made to assign Packs to campsites in a fair and impartial manner. The size and number of Packs attending will have a significant bearing on campsite assignments. You will receive your campsite assignment prior to your arrival at camp via email to the email listed on the registration sheet.

Arriving at Camp:

Units may begin arriving at camp at Thu afternoon after 5pm. Campsite assignments will be posted at parking lot or will be sent in email prior to camp starting. Units are asked to proceed directly to campsite to set up camp. After setting up, report to the dining hall to check-in. At check-in you will receive your Finalized Schedule, turn in medical forms, youth protection trainings, pick up shirts, and receive important information. Archery will be available from 7-8pm.

Vehicles may be driven into camp to stow gear, all vehicles need to be moved to the parking lot before campfire on the first night of camp. Please be aware that there will be WeBeLos on camp moving around, and BE CAREFUL!!!

Resident Camp Activities

WeBeLos will participate in periods of their choice during the day on Thursday and Friday. There will be open camp activities, flag retirements ceremonies, and games throughout the evening hours. On Saturday we will have a FUN DAY at camp, and end Saturday evening with a great campfire.

Flag Retirement

During Resident Camp 2018, scouts retired approximately 75 American Flags. Please bring flags that need to be retired with you to camp, Flags may be dropped off at the camp office.

CBH Daily Times

Each morning at Breakfast, the CBH Daily Times publishes the headlines from the previous day. Submissions for the next days paper, maybe submitted to the Camp Office. Don't miss Breakfast, to get your copy each day, as it has important information about happenings on camp each day.

Day of Service

During camp, adults will have the opportunity to complete some camp service projects. Please come prepared, and pack your toolboxes, yard tools, and gloves. Last year adults helped refinish the church pew on the trading post.

Campfires

The Camp Ben Hawkins Staff conducts a rousing campfire program on the opening night of camp to welcome campers, introduce staff, and get Camp started off with a bang. But on the last evening of camp the tables are turned and it is time for campers to entertain the camp with your special songs, skits, and stories. Plan to attend the "audition" at the Dining hall right after lunch on the last day of camp to show the Program Director what you would like to present.

Family Night

Saturday evening is Family night. Parents, not attending camp, are encouraged to come out to visit camp for the evening. Parents are asked to meet their scouts on the parade field about 5:45. Parents may then eat dinner with their scouts. Parents, if not participants at camp, may pre-order dinner tickets during the

registration process. Dinner tickets cost \$8 per person. After dinner Parents are invited to enjoy camp, and a campfire put on by their scouts. The CBH trading post will be open for Family night.

Uniforms

Central Georgia Council Summer Camp recommends the following camp attire:

*During the day and most nights after dinner, Class B is appropriate. This is shorts and a scout related t-shirt of some type.

*Uniform for dinner, evening flag ceremony, and campfires is Class A.

***Footwear: Shoes must be worn at all times at camp. Shoes must not be open at the toe or sides. Sandals are only allowed at the showers, and at waterfront. Croc type shoes are not allowed.**

*It is not the role of the staff to be the “uniform police”, that is the role of the unit leader.

Trading Post

The Camp Ben Hawkins Trading Post will be open selling snow cones, snack items, handicraft kits, and CBH Gear. Make sure your scouts have some “pocket money.”

DINING HALL

The Dining Hall serves cafeteria-style meals. Packs are assigned seating during the registration process on Sunday. For breakfast and dinner units are dismissed from the flag ceremony on the activity field. Lunch is dismissed from the poles in front of dining hall. CBH uses a waiter(s) system to assist in unit table setup and cleanup.

Waiters

All units will receive a Table assignment at the time of check-in.

Before Meal Duties:

- Place Pitcher of drink on all tables, located on drink cart.
- Restock Table Boat with silver, paper towels, and cups as needed.
- Place Condiments on tables.
- Set Table as desired

Each Unit will be responsible for clearing their tables, which includes:

*At the end of each meal, YOUR UNIT is responsible for cleaning your table(s) and area, this consists of:

- removing all items to trash
- pitchers of remaining drinks to drink cart at end of dining hall
- wipe down table
- sweep/mop as needed

**Additional help may be needed in pushing pitcher carts to kitchen, moving salad bar and cereal bar to kitchen.

Cold cereal is available in addition to the hot breakfast that is served each morning. A salad bar is always available at lunch and supper.

Camp food is by necessity a high-carbohydrate, high-calorie diet. All meals contain meat/protein. If these food products cause a problem in your diet, you need to advise camp personnel via registration form, and again at camp during registration process. We may be able to provide alternative food, but only if we are notified well in advance of your arrival. A dining hall staff member will be available to assist in reviewing menu, alternate foods, etc. If the variety of offerings is limited and you may choose to supplement with your own food. In most instances, you will be required to store and prepare any special foods that may you bring. We will suggest that you come prepared store and to prepare these special meals in your campsite. Units/ individuals will not be allowed to access the camp kitchen in order to store or prepare special meals.

Activity Periods

WeBeLos resident campers will have the choice of 4 activities/Periods that they would like experience at camp. Periods offerings will be varied, so boys who attend more than one camp will not be doing the same activities, and will have the opportunity to choose their own activities. WeBeLos will be participating in Periods that meet advancements. Due to the nature of some of the requirements, all requirements might not be completed at camp for an adventure. Period selections are granted on a first come first serve basis.

After reading through the WeBeLos requirements, we found that there is a need for knots, knife skills, fire building, and cooking skills in many of the arrow of light

Adventures. Therefore, we have added these as period selections. Period descriptions and offerings are found at the end of the leaders guide.

We do our best to make sure that every scout gets to participate in their period selections. However, No schedule changes or period selections will be taken via email/phone prior to camp, all selections must be listed on the registration form. If changes are necessary, those will be granted at check-in, as long as space is available.

WEATHER IMPACT ON PROGRAM/ACTIVITIES

Occasionally, camp program and activities will be impacted by weather events. In particular the Aquatics and Climbing areas are often the first to be impacted. Thunder & lighting in the vicinity of camp can cause us to “delay” or “cancel” these activities. We do not take camper safety lightly! Decisions to close an area are usually determined by the area director, in consultation with camp and program management. As always, we depend on our unit leaders to be aware of any weather activity that they deem may impact the safety of their Scouts. If you as a leader determine that you need to move your Scouts from an area, or move off an activity field, we encourage you to do that and not wait for a decision from the Staff. Please also remember that there are “HARD” Structure throughout camp.... If you find yourself needing to find Shelter please choose the closest to your proximity to shelter in.

CAMP MESSAGING SYSTEM

CBH use the Band messaging system that can provide information to our onsite unit leaders. The system supports text messaging. It is primarily used to provide items such as the following; last minute program changes, weather information, important camp messages, etc. You will be provided information in welcome email and in the leaders meeting on how to join the Band group. Each event, the Band group is deleted and a new one set up. Please upload the Band app.

It looks like this.

Activity Completion Reports

At the end of camp, you will be provided with a printed list of all completed requirements/advancements. Each Pack leader should communicate this information to the Scout's parents and Den Leader. Scouts may not complete all requirements to earn activity pin. Leaders should also become familiar with the activities that they boys are completing as some things that are "camp" related are found throughout the WeBeLos book.

Leader's Meetings

A leaders meeting will be held @ 7:15pm on night of arrival, and immediately following breakfast each morning of camp in the CBH Dining Hall.
